

Our Business

Consulting

Olive Group's Consulting division provides clients with solutions for Security Auditing, Business Continuity, Emergency and Evacuation Strategies, Crisis Management and Response, Kidnap and Extortion, Contingency Planning, Strategic Infrastructure, Defence Restructuring and Advisory Services to Governments.

Logistics and Project Support

Olive Group provides clients operating in challenging environments with services that range from the construction of manned camps to the provision of life support, the securing of mission critical equipment and the emergency evacuation of employees.

Tracking and Locating Solutions

The SecureLocate™ service provides clients with a unique tracking/locating capability for people, assets and vehicles. The service, which can be monitored via a secure web connection, can be overt or discreet and is controlled through our 24/7 Control Centre with rapid response teams deployed on the ground.

Integrated Protective Services

Olive Group provides the full range of Security Operations services, including Executive Protection, Close Protection, House Detail, Key Point Security and Manned Guarding, Maritime Security, Asset Protection (static and transit), Commercial and Residential Security and Surveillance.

Intelligent Security & Safety Solutions

The scope of services and expertise offered by Olive Group encompasses and exceeds the normal industry offerings of CCTV, Access Control and Intruder Detection. Services include Infrastructure Security, Architecture Security Designs, Security Systems Design and Implementation, Project Management, Commissioning and Testing and the installation and management of Command, Control, Communications, Computer and Intelligence (C4i) Systems.

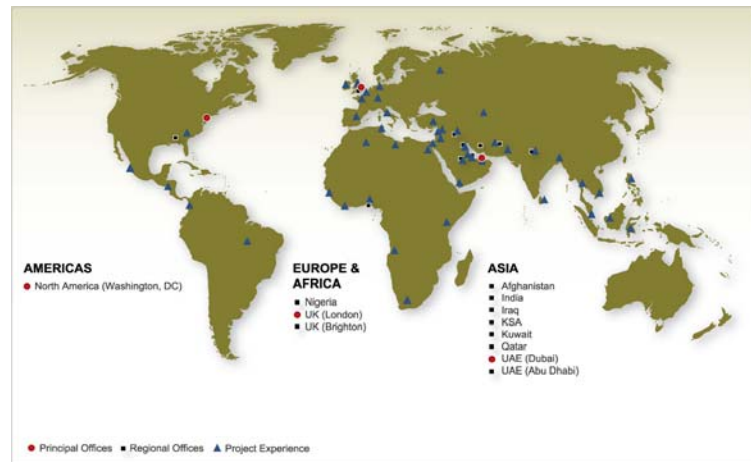

Analysis & Assessments (A2)

Olive Group's Analysis & Assessments division provides accurate, real-time information to clients around the world, including 24/7 Security Alerts, Country and bespoke Threat Assessments, Corporate Strategy Reports and Strategic Security Analysis Reports for a wide range of sectors, for example Oil and Gas. The Analysis & Assessments service also includes Corporate Briefings, Presentations and Telephone and Conference Call Consultancy Support.

Training

Olive Group's training division offers Corporate Security, Executive Awareness, Security Management, Counter-Surveillance, Counter-Kidnap and Crisis Simulated Incident training.
